Accordingly, enclosed is T/A number H-1303, for recording in your accounts. Appropriate controls should be established to assure current follow-up on monthly payments is effective. Also, in the event of default, Headquarters should be notified without delay in order that action may be taken to recover the balance of the indebtedness through offset of retirement funds due []. Headquarters has ascertained that such funds are adequate to secure payment of the indebtedness and has taken action to prevent withdrawal of the funds prior to clearance of the indebtedness.
